

## Wilton & District Link Scheme

### Notes on position of Co-ordinator – Committee meeting 14 May 2008

#### Item 1

The Chairman suggested that we should aim to enrol at least 3, hopefully 4, co-ordinators. If we were successful Jennie and Peter Wilkinson would also join the rota.

#### Item 2

Elizabeth mentioned a possible candidate from outside the Scheme. The lady lives at Fisherton de la Mere.

#### Item 3

Apart from the item above, we should attempt to recruit within the organisation rather than outside. We will however still advertise in the local "freebies" and the Parish magazine.

#### Item 4

Angela has resigned as Co-ordinator. She still wishes to be a member of the Committee.

#### Item 5

We could consider giving an honorarium to Co-ordinators. Other Link Schemes do this and based on their figures we could be faced with an annual outlay of over £1000. This would not really be viable but could be reviewed after, say, one year.

#### Item 6

The list of current volunteers would be studied to see if any might be interested in the role and the Chairman will write to them accordingly.

#### Item 7

The Chairman passed round a proposed draft of the advertisement (see Item 3) and an amended version will be sent to prospective applicants (see Item 6).

#### Item 8

Other issues were discussed including the transport of the lap-top from one co-ordinator to the next.
