

Newsletter—July 2011

New Chairman and Secretary

Roger Williams has agreed to take on the role as Chairman of the Wilton Link Scheme and Stephen Long as the Secretary. Our thanks to David Barnes who has been acting Chairman as well as fulfilling his responsibilities as Treasurer and to Peter Wilkinson for his support to the Scheme as the Secretary as well as continuing as an active volunteer.

Volunteers wanted

Wilton Link is keen to increase the support it can give to the elderly in our community but to do so needs more volunteers. If you can spare a few hours every month please give us a ring and leave your details on 01722 741241. A member of the Committee will meet you to explain what is involved and explore how you can help.

Good Neighbours Scheme

Committee members have been in discussion with Claire Routh on how Wilton Link and Good Neighbours scheme can work together to give more help and support to the older residents in our community.

On the reverse of this newsletter is an article by Claire, the co-ordinator of the scheme, asking if any Link volunteers would be willing to act as befrienders. Claire is also receiving requests for someone to do the occasional odd job.

Befriending and the provision of practical help are included in the Link application form and each volunteer will have received a letter with this newsletter inviting them to update this information.
